

**DISCOVERING PLASMAS:
FROM THE LABORATORY TO THE DISTANT UNIVERSE**

The 2022 edition of the PLAS@PAR summer school (<https://www.plasapar.sorbonne-universite.fr/>) will be held on August 21 – August 27 in Roscoff, France.

The summer school is free of charge, including local expenses and transportation fees from Paris to Roscoff and return.

The sanitary conditions will be updated depending on the government rules (presently, a valid sanitary pass is mandatory).

The number of participants is limited in order to optimize pedagogical contact and exchange between participants and lecturers. **Application has to be sent before May 31, 2022.**
